Diocese of Madison Annual Catholic Appeal 2012 "Fountains of Living Water"

The theme for the 2012 Annual Catholic Appeal of the Diocese of Madison shows how each of us is touched by the living water of God. We ask that God grant us a renewed sense of responsibility for the work of our parish, our diocese and the Church throughout the world. We ask that His grace make us even more generous in supporting those needs.

Each pledge to the Annual Catholic Appeal supports diocesan ministries, education and services today and assures a strong future for the Diocese of Madison and the people that it serves.

This year each of us is asked to consider making a pledge, payable over five months. Your gift will help enable the diocese to reach its goal and provide grant opportunities for Catholic schools, religious education programs and assisting distressed parishes in need.

If you received your pledge form in the mail, please complete it and mail it back.

Thank you for your prayerful consideration and generous response.

Island Drumming!

"I suppose that receiving a Catholic education has
 given me a deeper understanding of my faith. I would
 also say that attending a Catholic school has
 presented me with lots of opportunities, many of
 which I did not recognize as opportunities at the time.
 But I really am lucky to have attended Saint John's. I
 think the best thing that the school gave me was a
 sense of belonging, and a feeling that people were
 there for me regardless. It is really an extraordinary
 thing to be a part of such a close community; it's what
 made me who I am."

--**Katie McDonald** (Class of 2004)

"I spent nine years of my life at SJB (1993-
 2002). While I was an SJB student I learned a lot
 about myself and this world that we live in. Going to
 a Catholic school gave me a way to view life. It
 taught me a way to look at the world around me and
 make sense of it. Yes, I learned all about history and
 math, art and science, language and computers...but
 most of all I learned about what I wanted to do with
 my life. I was inspired by my second grade teacher,
 Miss Z (now Ms. Schneider) to become a teacher.

Now, 16 years later I find myself recently graduated
 from the same college as Ms. Schneider and teaching
 second grade at Saint David School in The
 Dominican Republic. I followed my dreams, and I
 am confident in saying that I would not be the person
 that I am today if I had not been a student at SJB."

--**Beth Wright** (Class of 2002)
