**Confirmation**  
**Candidate**  
**Guidebook**

**2010-2011**

Dear Students,

I give you this guidebook as a tool to guide you through the Confirmation Preparation Process. You do not have to complete everything in it this week, rather it will take you through next Spring. I will do everything I can to be sure you are fully prepared to receive the Sacrament of Confirmation next Spring, but I need you to work towards that preparation. If you attend Mass each week, work through this guidebook and what is asked of you, and fully participate each week, you should be prepared.

Know that it is my deepest desire that you grow in your relationship with Jesus Christ and His Church. Our church community wants to love you and support you in this relationship, so know that you can come and talk to me about ANYTHING and I will listen, pray with and for you, and do what I can out of love for you. I have journeyed with you these past few years. Know that I do so not only because of my job, but because I care about you and desire to serve God by serving you. As I do so, I will continue to challenge you to grow in holiness. This is why I, along with our small group leaders, ask you to have a Final Interview with one of us, so we can find out how God is working in your life and what we can do to help you prepare more fully for the Sacrament. My hope for you is that this process brings you great joy and grounds and deepens your relationship with Jesus Christ and His Church.

Our prayers are with you,

# Confirmation Sessions

Confirmation is often understood as a passage into adulthood in the Church. While this is true, Confirmation is best understood as a Sacrament that is meant to strengthen the faith of the individual in order to share their faith with others. This requires that we model an intimate relationship with Jesus that "causes heads to turn" and people to question why we live deeply virtuous lives. We must be equipped both to live in a radically different way, and to answer this question well.

All sessions are held on Wednesdays in Church from 7-8:30 pm

# Choosing a Confirmation Sponsor

Choosing a Confirmation Sponsor is an important step in preparing for the sacrament of Confirmation. The person you choose as your sponsor is charged with the responsibility of walking with you through the Confirmation preparation period and beyond. Here are just a few helpful guidelines on how to choose your sponsor.

- **Have only one sponsor**

Choose only one individual to serve as your sponsor. You will want to keep in mind:

- ⇒ Your sponsor cannot be a parent. (However, a Confirmed sibling, aunt, uncle, grandparent, etc. may be considered.)
- ⇒ You are encouraged to consider a baptismal Godparent as a sponsor.
- ⇒ Your sponsor must have been Confirmed in the Catholic faith.
- ⇒ Your sponsor must be at least sixteen years of age and an *active, participating* member of a Catholic parish at this time.

- **Your sponsor should be someone you look up to as a role model of the Catholic faith.**

Choose an individual who you can witness living their faith, confide in, share your joys and struggles, and are comfortable talking to about issues of faith and life.

- **Your sponsor should be available to participate in the Confirmation program with you.**

They are welcome at any and all prep sessions, but required to join you for:

- **February 13 OR 16** – Sponsor Candidate Session
- **Confirmation Practice** – In Spring, before Confirmation
- **Confirmation Mass** – In Spring...

\*We will inform you of the dates **AS SOON** as we hear from the Bishop. It will most likely not be until fall.

We also ask that the candidate and sponsor meet (one on one) at least twice starting in February until Confirmation, to talk about faith, life, Confirmation preparation etc.

**IF YOU WOULD LIKE FURTHER ASSISTANCE IN CHOOSING A SPONSOR OR HAVE QUESTIONS, PLEASE CALL TIFFANY @ 674-5433 or email [stjohnsre@hotmail.com](mailto:stjohnsre@hotmail.com)**

**Please return the Information Form/Sponsor Form by October 1st.**

# Choosing a Confirmation Saint Name

The tradition of taking a saint's name in Confirmation is an ancient practice in the church. The patron saint becomes a role model for the person, and an example of how the Gospel can be lived in a practical way. In many Catholic countries today, a saint's name day is celebrated instead of a birthday. Saints are heroes of the faith who lived their lives as examples of faith, hope, and love. We venerate them as we do members of our own families who have died and who we continue to honor with pictures in our homes.

\*\*\*\*\*

## Q: Why do we choose a Saint's name at Confirmation? What is the purpose?

Well you see the practice originally began in a small Midwestern town not too far from Fargo, North Dakota where all the young children by sheer coincidence had been named by their parents the same name, Gretchen. Now having an entire town with the generation of the children named, Gretchen, as lovely as that name is, was a bit confusing. They would call out their names in classrooms and all of them would raise their hands! It got out of control. So they came up with the idea that on their Confirmation they would each receive a different name, a name of a saint, and they would all be called by these new names and end the time of confusion. And so the town was saved and the people rejoiced.

Okay, now for the real answer. The receiving of a name at Confirmation has a number of different sources in the history of the Church. But the biggest one comes from the idea of a name being associated with a change of life. When Jesus told Simon that his new name was now Peter (Matthew 16:18), it was because his role was changing and he was going to be asked to take on a role of leadership. When Saul had his great conversion, the risen Lord gave him the name Paul (Acts 13:9). And there are a number of others that we see this happen to as well because there is a power in a name. If we look back at the Old Testament, to name someone was to have ownership of them, which is why when Moses asked God in the burning bush who was sending him to Pharaoh, God didn't give him his name, He gave him his title, "I am who am" (Exodus 3:14). So to take on a new name at confirmation also carries with it the idea that you are asking for the Lord to change you. To take ownership of you like He's never done before and to live your faith more fully and with more life than you ever could've imagined.

The name of the saint also should have some significance to you, that particular saint is an example of the type of holiness you would like. Some people take St. Francis because they want to be kind to animals, or some people take St. Joseph because they want to be as holy as he was, or some people take St. Monica because she had such patience with her children, and the list could go on. The idea is to pick somebody who says something about you. And when you stand before the Bishop the day of your Confirmation and you tell him your name, say it with a pride and with a conviction and with knowledge that the Holy Spirit is going to change you forever.

\*\*\*\*\*

Most folks in choosing a Confirmation name saint fall into one of two camps; they have chosen a name they really like, and then go looking for a saint with that name to justify their choice, students look for a saint with their first or middle name. Ideally you should approach this from the other direction: **Learn about a bunch of saints.** Get to know them, learn their lives and ways, and their areas of tradition. Choose some one with whom you have an affinity; *you'll come to love the name.* The centuries-old tradition of studying the lives of the saints will *always* repay you more than you imagine.

The Sacrament of Confirmation gives us the Holy Spirit to strengthen and encourage us to live out our baptismal commitment to love and serve others, especially those most in need. We can either be confirmed with our original baptismal name or take another saint's name who will also be a patron saint for us. Research the saint's name you chose for Confirmation. Use the Internet for interesting information on your saint and to find a picture. The report should be at least one page of content.

# Service Hours

Confirmed Christians bear witness of Christ through both their actions and their words. They get involved in community service, volunteering both their time and talent. They respond more deeply to the gift of the Spirit as an outward sign of desiring to live more aware of Christ and more committed to His mission of serving others. And for that reason we require our candidates to do at least 10 individual hours (at least 2 different activities) and 1 group service project for a total of 15 hours of service. This can be nearly anything as long as you are volunteering and not getting paid.

Students who do not wish to participate in a group service project must complete 15 hours of service individually. After participating in any individual service activities students will need to submit a written "Service Report and Evaluation" sheet to the Director of Religious Education in order to receive credit for that activity.
