

St. John the Baptist Extended Day Program

PHILOSOPHY

St. John the Baptist Catholic Grade School recognizes child care as a present and growing need for families of every size and form.

The Bishops of the United States in their 1986 pastoral letter, Economic Justice For All, stated:

"For those children whose parents do work outside the home, there is a serious shortage of affordable quality day care. Employers, government and private agencies need to improve both availability and the quality of child care services."

Our goal is to provide Day Care in a relaxing, well-supervised environment for school age children. Further, our aim is to offer a service to school families that will meet the needs of parents as effectively and efficiently as possible. We welcome your comments and suggestions at any time.

Registration for the Program can be done at any time by appointment. Please call the school office at 674-5821
