Lunch/Milk Information Form

200\_\_-200\_\_

School lunch is provided daily, including noon dismissal days. Hot lunch consists of the meal and one (1) milk (extra milks are available and charged to the student's hot lunch account).

With the exception of the first day of school, meal money must be paid in advance of the meal. We encourage meal payment by the week or month in advance.

Cost per meal:

Grades K-4	\$1.45
Grades 5-8	\$1.75
Adults:	\$2.50

Free and reduced lunches are available to those who fill out the required application and qualify. Forms are available in the school and parish offices.

Milk is also available to students who wish to purchase milk with their cold lunch. Soda is NOT permitted for lunch.

Students in K-5 are given a morning milk break in the classroom. The cost is \$35.00 for the entire year if paid by October 5, 2007. Otherwise, it is per semester at \$18.00 (due on October 8<sup>th</sup> and January 25<sup>th</sup>).

**Concerning Payments:** All payments are made through the school office, usually Mrs. McDonald. When sending money to school with a child, please have a check in a labeled envelope (sending all money is best done in the Thursday envelope, however). We request separate checks for:

- 1) Tuition
- 2) Lunch and milk
- 3) All other (i.e. field trip, kindergarten mat, upper grade Bibles and other supplies)

Thank You!
